2021 Junior Golf Program:

The 2021 program is being led by PGA Director of Golf Operations – Doug Wark, with assistance from BCC PGA Golf Instructor David Inch and Proshop Services Coordinator A.J. Howe. The program has a long history of success at the BCC, not only in developing highly skilled players but also teaching and coaching our kids to be outstanding individuals with proper golf etiquette, fair sportsmanship and positive attitudes. The instruction focuses on teaching proper golf fundamentals and technique on full swing, driving, wedges, chipping, pitching and putting. Each day the juniors are given the opportunity to play on the course after their lesson. In addition, the kids enjoy meeting new friends and spending time socializing and other non-golf activities. See our website for complete Junior Program details.

Program Information & Schedule 2021:

Monday Mornings: (Schedule of clinics and regular program dates to be released early spring 2021)

The program is offered to all our BCC Junior Members aged 6-18. Instruction will be provided by PGA Instructors Doug Wark & David Inch with further assistance from AJ Howe and member volunteers. We will be encouraging the kids to play golf and track scores and performance in our Golf Genius scoring system. The juniors will be given instruction time prior to their tee times as well as on-course playing lessons. There is no fee to join this program as it is only offered to our BCC junior members.
