

Welcome to the 2020/21 Season!

The Brockville Country Club (BCC) is pleased to welcome new and experienced curlers!

We are pleased to be offering curling for the 2020/2021 Season. We recognize that these are unprecedented times as we are all navigating the challenges of COVID-19. The team at BCC is dedicated to ensuring everyone's safety and is committed to monitoring the situation and adapting the rules and procedures as required.

The BCC Curling Committee has developed a 2020/21 season "Modification of Rules and Safety Protocol" document that outlines our commitment to providing the highest standards of care possible for COVID-19 safety and precautions. The document can be found on our BCC website for your review and required compliance. Our protocols follow the current trends and guidelines as outlined by Curling Canada. Furthermore, our safety guidelines follow our local, Provincial and National Health Organizations policies.

Our number one priority is the health, safety, and wellbeing of all our members and guests! We have implemented a few key modifications to ensure the collective safety and positive health of our members. The game is still very much curling! We want our members to continue to have access to play their favorite winter sport and stay active and social this winter season.

BCC's Director of Sport Operations, Doug Wark, along with the Curling Committee is pleased to offer Learn to Curl Clinics to encourage new and rusty curlers to learn the key skills and start playing!

We look forward to welcoming existing, former, and new members to our Curling Club!

Douglas Wark, Director of Sport Operations

Pay as you Curl & Pay per Draw Payments can be made daily directly to your league convenor, through BCC online service or the Curling Pro Shop.

We Need your Support!

For the BCC curling club to operate this season we need to ensure significant financial support in advance. We need to confirm there are enough returning members and new planning to join so that our expected curling expenses are met before we proceed to install our ice and launch our leagues. **We will require full payment of curling dues by our set deadline.**

**Registration and Payment Deadline: Thursday Oct 8th by 12
Noon**

How to Register:

Call Doug or Jason to complete the application over the phone. Full payment may be made by credit card, online, cheque, or debit. At the same time, you will mention the leagues you are wanting to play. If wanting to drop off payment by cheque or pay by debit, please make arrangements with Doug or Jason. Payment installments are not offered this season and payment by posting to your member charge account is not available.

Additional Membership Information:

- ✓ All 2020/21 season memberships must be paid in full by October 8th.
- ✓ In addition, all draw payments fees are to be paid in full before the commencement of each draw.
- ✓ If you plan to curl in all draws in any given league, you are strongly encouraged to pay all fees in full prior to season commencement.

Question & Answer Section:

1: If I pay my curling dues in full by the deadline of October 8th but the Club fails to raise enough funds to launch the season will I receive my full payment back?

Answer: Yes a full refund would be given. Our members would have the option to leave the money with us and therefore secure their 2021/22 curling season membership dues payment at the 2020/21 rates (Therefore any increase in rates would not be charged to you for the next season dues)

2: What if the second wave of COVID-19 impacts us and we are forced to shut down curling would the BCC Curling Members receive a refund?

Answer: Yes we would offer you a prorated refund of your unused membership. The refunded amount would be prorated and dependant on the month/week the season was shut down. An Ice Instal Fee of \$25 would apply.

3: What should I do if I'm a "Snowbird" and I'm able to travel south after Christmas but I paid for a full season membership. Can I get a partial refund of my dues?

Answer: We do offer a "Snowbird Membership option at 75% of the regular rate.

Enjoy our Premier Curling Facilities, Leagues and Programs.
Stay Active and Healthy this winter!
